NOVEMBER 2024

Greendale Community Church is a church with an open mind that stands for freedom of thought and speech. We extend wholehearted fellowship to all people without regard to sect, class, nationality, or race. The object of this church shall be to help in creating a social order more in harmony with the manifest purpose of a just God and with the conscience and intelligence of sincere people. We believe that religion should bring all men and women into a common unity under God.
